

# BERKELEY ACADEMY

## NEW CAMPUS CONSTRUCTION 2017

Berkeley Academy for Multicultural Studies is an exclusive, private PreK-12th Grade, U.S.-Costa Rican school dedicated to academic excellence and providing a comprehensive multicultural and ethnic studies high school curriculum. The Costa Rican national baccalaureate (11th Grade) and U.S. university requirements are offered at our school.

Berkeley Academy's vision is to empower all of our students to positively impact and change the world. Our school is founded upon the principles of honor, prestige and excellence. Berkeley Academy is accredited by the Costa Rican Ministry of Education (MEP) and a certified international member of College Board that allows us to offer Advanced Placement courses in addition to a competitive college preparation curriculum.

Only after four years of existence, Berkeley Academy has gained an international reputation as an academic center of excellence. With a great demand for student expansion, Berkeley Academy will transition its world-class education program to an equally impressive state-of-the-art facility. Designed and led by one of Costa Rica's most innovative architectural firms (O+A) and supported by in-house private funding, Berkeley Academy's new campus will include the most exclusive and qualified student population in the world.

Construction plans include an impressive fully-equipped sports gymnasium, a soccer pitch with official regulation dimensions and layout, semi-Olympic swimming pool, amphitheater, two mini-auditoriums, one large-sized auditorium, student-faculty cafeteria, four student-research laboratories, four library learning resource centers, art studio, game hall-arcade, activity center, a majestic bell tower and 60 classrooms. The campus will be decorated in a manner that rivals most elite U.S. universities.

### Berkeley Academy Student Admission Rates (Fall 2016)

Upper Elementary (Grades 2-5)	39%
Middle School (Grades 6-8)	31%
High School (Grades 9-12)	28%
